

# LOVE MANIFESTO

Prioritizing love should be the most natural thing in the world, both personally and professionally. This can be achieved by giving more attention to the concepts on the left than those on the right. Are you in?

**WE** > I

**FEEL** > THINK

**NOW** > PAST & FUTURE

**PEOPLE** > TECHNOLOGY

**COMPASSION** > CONDEMN

**AGILE** > STRICT

**EARTH** > MORE, MORE, MORE

**COLOURFUL** > COLOURLESS
